Dear all

### Acceptance of analytical reports obtained from Internationally Accredited Laboratories for the Subsidiary Fertilizers.

Due to COVID-19 Pandemic situation all of the laboratories which perform analysis of fertilizer have been shut down and there is no sign of normalizing of operations.

Therefore, fertilizer samples cannot be get tested. However, to ensure food security at this critical moment secretary to the President has issued a circular dated 19 March 2020 stating that fertilizer distribution is an essential service.(Copy of the letter is attached).
